SPORTS FINAL
THE LONG ISLAND NEWSPAPER

Grand Opening

Harbor Club at Prime - A New Waterfront Wedding Venue

Be among the first to tour Harbor Club at Prime by Bohlsen Restaurant Group in an extraordinary bridal showcase on Thursday, October 24 from 6:30 – 9PM. Tickets are \$25 in advance via HarborClubatPrime.com or \$40 at the door.

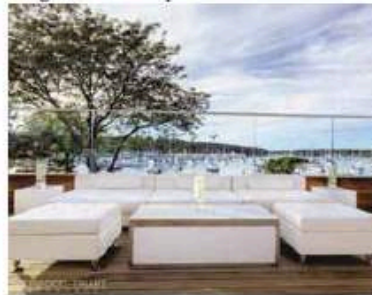

The evening promises to inspire brides-to-be just how beautiful their wedding can be at the newly renovated, waterfront celebration venue adjacent to sister property Prime: An American Kitchen & Bar on Huntington Harbor.

"We are using the same formula we used to create Prime next door. We strive to combine impeccable service, world-class food, a fantastic beverage program and genuine hospitality with one of Long Island's finest water and sunset views," says Michael Bohlsen who with brother Kurt open their newest dining establishment in signature Bohlsen style.

Floor-to-ceiling windows, open-air balconies and lushly landscaped grounds are a vantage point for stunning sunset views offset by Gold Coast mansions and luxury yachts. Modern urban design with rich fabrics, sleek finishes and state-of-the-art technology evoke a timeless

elegance. An exceptional fine dining menu and attentive restaurant-style service deepen the exclusive experience.

Cocktails, hors d'oeuvres and live music will accompany the private walk through starring Long Island's finest providers.

Talking all things down the aisle will be celebrity event planner Michael Russo. The wedding designer to stars, such as Kevin Jonas and Sherri

Shepherd, will share his tips for a magical celebration in an exclusive consultation.

The Wedding Salon of Manhasset will be modeling designer wedding gowns, including the famed Vera Wang, with hair and make-up by nuBest salon and spa.

On show too will be vintage luxury cars from All Star Limousine. The line-up includes the 1962 Rolls-Royce seen in "The Backup Plan" starring Jennifer Lopez; the 1933 Packard that graced the red carpets of "The Great Gatsby" film premieres; and the 1962 two-tone Rolls-Royce named Geneva Car Show's Car of the Year.

The Bohlsen group's portfolio extends to the landmark Prime: An American Kitchen & Bar next door; top Zagat-rated Tellers: An American Chophouse and the chic and casual Verace: True Italian in Islip; neighborhood favorite Long Island's Beachtree in East Islip; the vibrant H2O: Seafood Grill in Smithtown; and Newsday's #1 restaurant on Long Island for 2012, the four-star Monsoon: Asian Kitchen and Lounge in Babylon Village.
